(b) Memo dtd 12 Feb 75 to P&PS/OL fr C/P&PD/OL,
subject: Communications Requirements for
FY 1977-81 (OL 5 0560a)

1. The installation of the data links cited in reference (b) should satisfy the communications requirements of the Printing & Photography Division (P&PD) for the period FY 1979-1983.

2. It should be noted that communication links between the P&PD main plant and the Headquarters building for minimal secure voice and the P&PD management information system have been established. A survey is underway to precisely determine the type and capacity of the line(s) necessary to satisfy the remainder of P&PD's stated requirements. STATINTL
